Governor's Project for Key Club: *Fueling Futures*

What Is It?

The Governor's Project "Fueling Futures" aims to provide our community with the food and fuel it needs to thrive. It encourages individuals to expand their knowledge of the importance of nutrition and hydration, feed their local community, clean their environment, and pursue their passions through community service!

How Can We Help?

We will begin hosting canned food drives at Bridgeland to donate to MESA. Along with this, we will be donating to UNICEF, one of Key Club's endorsed organizations.

Be The Change Today

Meetings every other Wednesday in the cafeteria!
